Thank you for your letter of 5 November. It was good to hear that you have a good start at the University.

As regards your desire to become an American citizen, I would recommend that you direct a letter, indicating your interest, to the Commissioner of Immigration and Naturalization, Department of Justice, Washington 25, D. C. That Department concerns itself with the technicalities on citizenship and can give you advice as to the procedure.

Sincerely,

SIGNED

Allen W. Dulles  
Director

cc: Commissioner  
Immigration and Naturalization  
Department of Justice
